

RESEARCH PHARMACY SUMMIT Award for Excellence and Innovation

Nominate Someone Who Helps Research Pharmacy THRIVE & Celebrate their Achievements at the 2026 Research Pharmacy Summit

Transform. Harmonize. Research. Innovate. Value. Empower.

Celebrating Excellence in Research Pharmacy

The Research Pharmacy Summit Award for Excellence & Innovation celebrates professionals whose commitment to collaboration, learning, and growth elevate IDS practice and research pharmacy.

Make a Nomination

Join us in recognizing an individual who helps the research pharmacy community flourish. Nominate a colleague—or yourself—and celebrate those making a meaningful difference.

Submit your nomination by **July 6, 2026** via the [online form](#) or email info@mccreadiegroup.com with the following information:

- **Applicant Information:** Name, contact details, institution, role, and relationship to nominee.
- **Nominee Information:** Name, contact details, institution, and role.
- **Summary of Achievements:** Notable accomplishments aligned to each of the award criteria.
- **Self-Nominations:** Include a CV and one professional letter of recommendation.

Award Criteria

Contributions should reflect meaningful impact achieved within the past five years and demonstrate:

- ✓ **Collaboration:** Meaningful collaboration with teammates, cross-institutional colleagues, or external partners that advances research pharmacy practice.
- ✓ **Best Practices:** Excellence in developing, improving, or standardizing safe, high-quality IDS processes.
- ✓ **Innovation:** Creative, forward-thinking solutions that meaningfully advance IDS work.
- ✓ **Knowledge Sharing:** Active sharing of expertise to grow the field and support others through publications, presentations, internal training and mentorship, and public outreach.
- ✓ **Professional Growth:** Meaningful advancement in skills, responsibilities, or leadership through continuous professional development.
